Furniture made simple®

FURNITURE MADE SIMPLE[®]

Furniture shouldn't be complicated. At Form, we believe every product, operation, design, and interaction should be simple. We live at the intersection of great prices, quick lead times, high quality, and beautiful design.

At home or in the office, when it's time to get to work Form is there to support you – however you get the job done.

Form: Furniture made simple

Form: When you work

Furniture is a part of our lives at work, home, and everywhere in between. Great furniture gets out of the way and simply supports you, as you move through the day. You'll certainly notice Form's simple beauty and elegant design, but when it's time to get to work it will simply be there comfortably supporting you—whenever you work.

SIT

On Board Conference Chair

It's easy to get on board with a seating series that offers effortless comfort, style, and truly affordable luxury. The On Board conference chair has it all, no matter where you sit at the table.

Form the Way You Sit

Form has a flexible range of high-quality task and conference chairs that are beautiful, simple, and comfortable. Best of all, they rival the quality, comfort, and style of the most popular chairs on the market—at a better price.

At Work Task Chair With Headrest

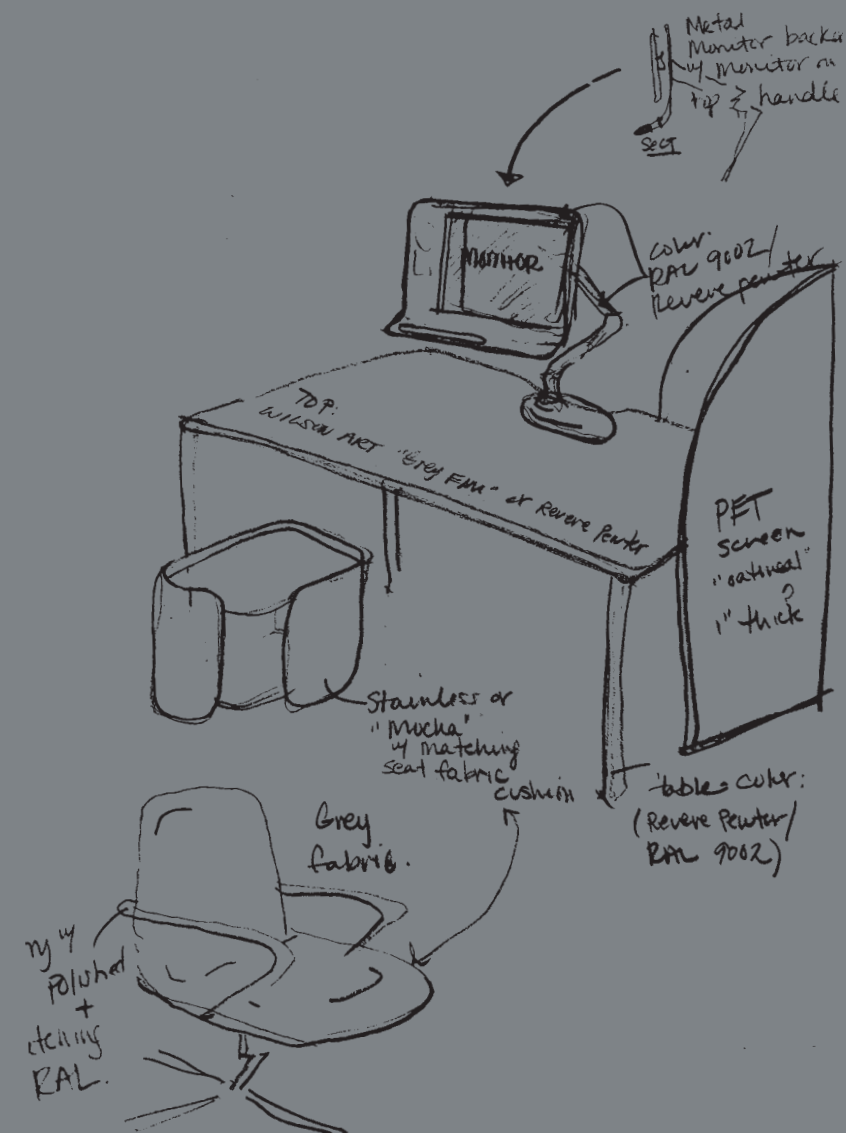

Our At Work Task Chair with Headrest provides ergonomic comfort and high design at an attractive price.

STORE

Stash Cart

The Stash series by Form Lab is a beautiful and simple improvement to yesterday's storage solutions. Stash Cart offers spacious storage, easy mobility, and practical accessories. Whether you're throwing your bag in for the day, storing books and files, or grabbing a seat for a quick meeting—Stash Cart is up for anything.

FORM LAB

Form Lab is an internal design team whose mission is to design beautiful, high-quality, and simple products at the right price. We work with professionals from every side of the industry to understand what clients are asking for and what's needed or missing in the market. Form Lab's lean process allows Form to design, build, and deliver great products in months, not years.

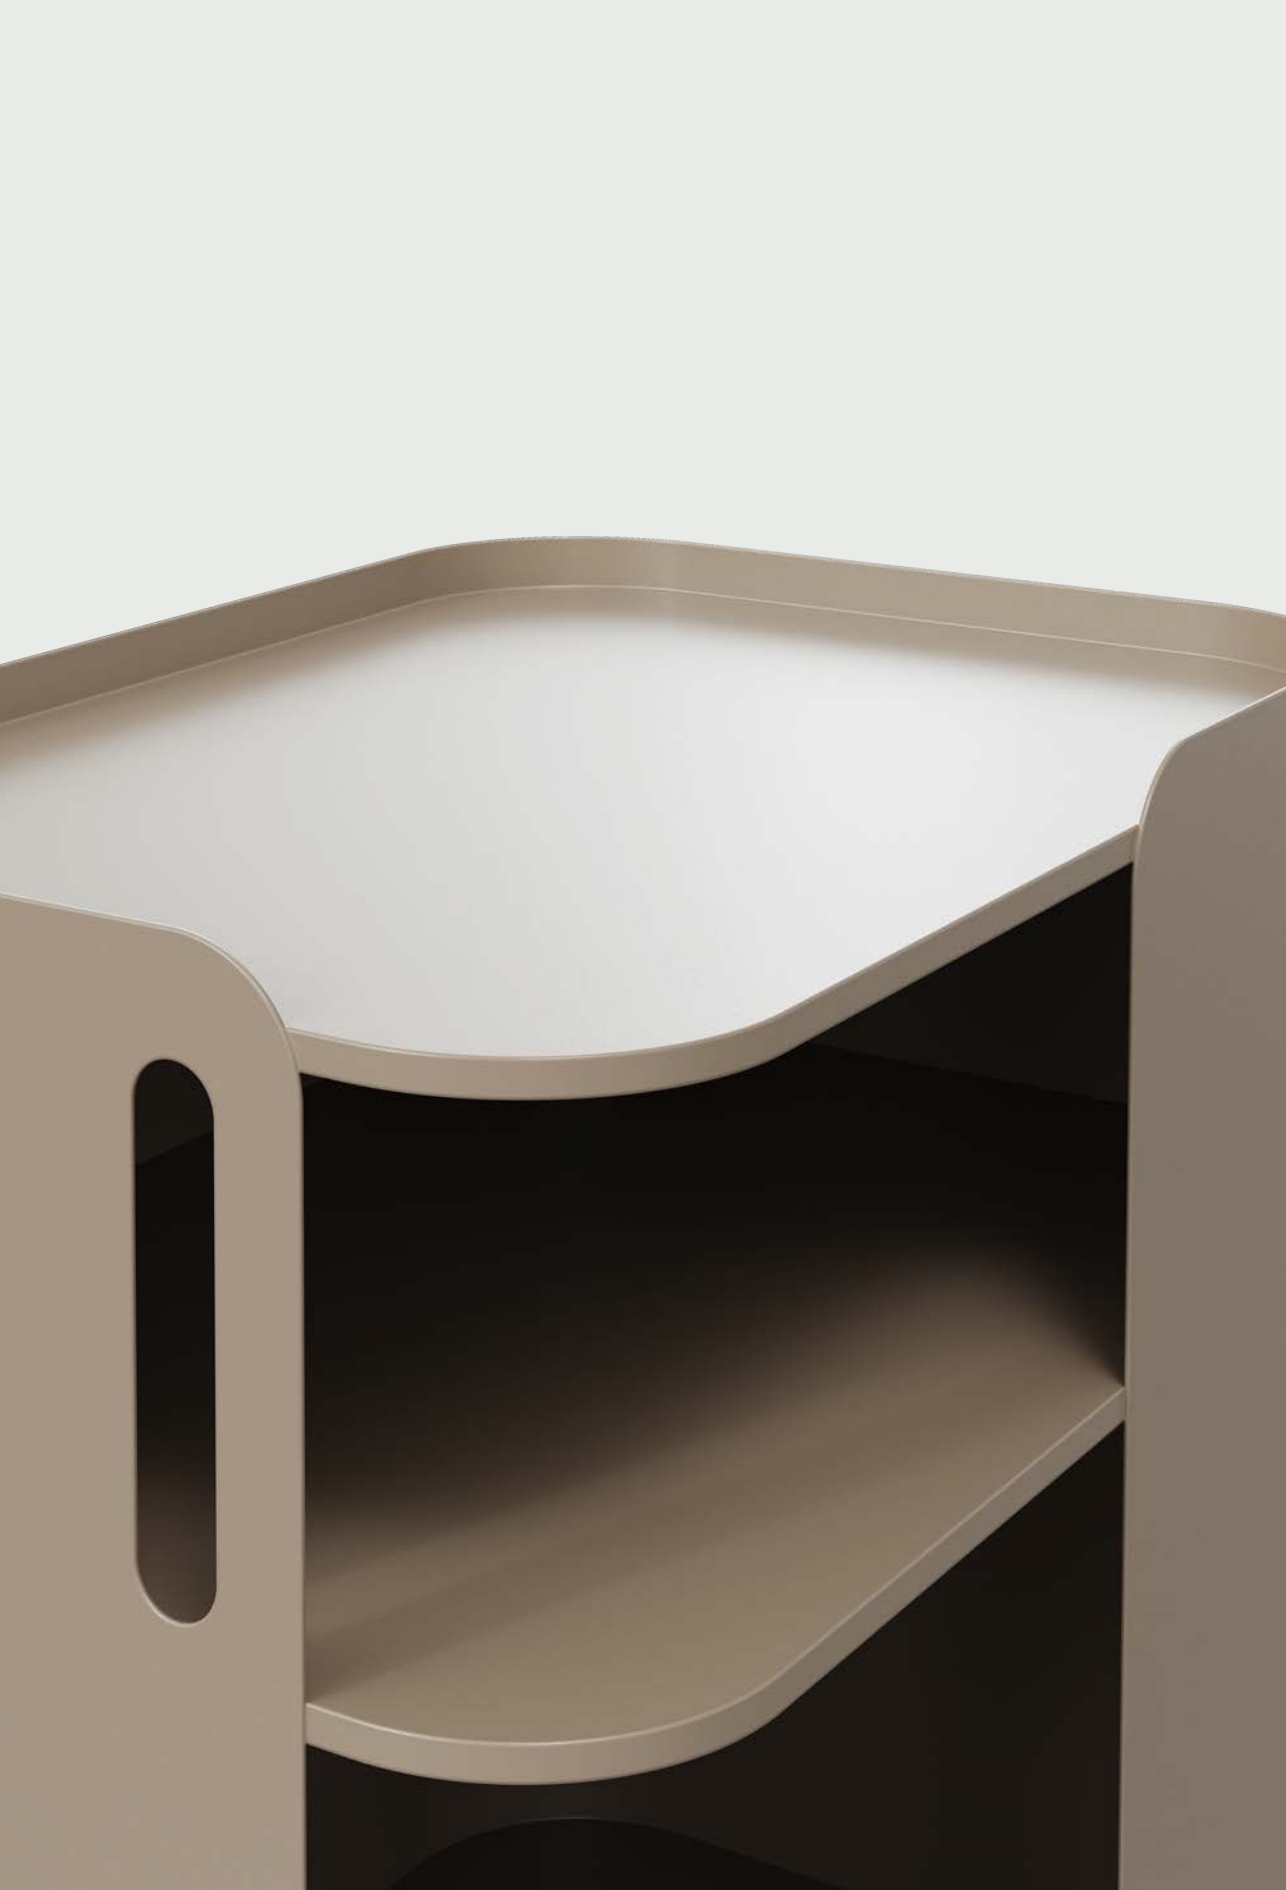

The Stash cart designed by Form Lab is a beautiful and simple improvement to yesterday's storage solutions.

Whether you're throwing your bag in for the day, storing books and files, or grabbing a seat for a quick meeting—Stash Drawer won't disappoint.

Stash Tower is a mobile storage solution that will keep you organized and ready to work. Anywhere you work— Stash Tower delivers.

Form: Where you work

Workplaces have changed. Whether you're working from home, at your desk in the office, or around a table with the team, Form works with you—wherever you work.

WORK

New Heights Table Kits

Our New Heights table kits give you all the movement and function you want without the confusing options and upgrades.

Our New Heights sit-to-stand table bases are durable, easy to assemble, and work great with any work surface... they're even better when paired with our Clean Slate Worktops.

Start every day on a Clean Slate. Form's durable work surfaces are designed with soft, modern lines in a simple range of stylish and durable finishes—perfect for any workspace.

Form: How you work

Your furniture shouldn't get in the way of how you work. At Form, we know everyone works differently. We design versatile furniture that effortlessly adapts to how you and your team work best. Form is there—however you work.

LIFT

Balancing Act Monitor Arm

The Balancing Act monitor arm by Form Lab offers all the space savings and ergonomic benefits you expect with a beautiful and simple design that will look great in any space. Our dynamic motion technology allows for effortless adjustment—striking a perfect balance between style, function, and price.

Balancing Act Single and Dual Monitor Arm

WORKSPACE

The office of the future requires much more than self-serving workplace research. Maybe all it takes is a little common sense? Form makes furniture simple by providing authentic solutions for the modern work environment that are beautiful, functional, and sensibly priced.

- Break free of archaic industry paradigms.
- Inspire people to do their best work.
- Adapt to the evolving needs of humans and organizations.
- Spur productivity, naturally.
- Create effortless efficiency.
- Embrace the fluidity of modern work.
- Be practical but never boring.
- Provide less yet better choices.
- Afford great design at a sensible price.
- Keep great furniture simple, as it should be.
